## Solutions For Your Hair Loss

BY APPOINTMENT ONLY  
540-751-1952

## ABOUT US

Welcome to the Authentic Wig Shop & Salon where we offer personal, compassionate and professional solutions for your hair loss or special hair needs. In a private consultation, we discuss and then evaluate your scalp and individual needs recommending the proper solutions for your concerns and lifestyle.

We address all types of hair loss, including: Alopecia, Scarring, Cancer, Chemotherapy, Radiation Exposure as well as Natural Thinning of female or male Pattern Baldness.

Serving Women, Men and Children;  
Offering a full line of Wigs - Human, 100% Human Remy, Lace Front, Mono-filament, Partial Mono-filament, Heat Friendly and offering the same for Synthetic Wigs and Toppers.

Rose, the owner, is a Hair Restoration Technician, Certified Master Hair Colorist and Stylist with over 20 years experience with Human Hair, Wigs, Wig Alteration and Wig Restoration.

## HOW DO I START?

When many things in your life are changing, looking like yourself again can be very empowering. We help you choose your wig type, color and everyday hairstyle. You can rely on our professionalism, experience, expertise and sensitivity to your unique needs. We will provide great advice, tips for wearing, styling and caring for your wig.

## PLANNING AHEAD:

If you know in advance that you will be losing your hair, make an appointment for a private consultation. We will note your natural hair color, style and cut. We can help you choose the best wig for you and your lifestyle. Our wigs can be worn right out of the box or they can be cut in a style and ready to wear before you need it. Even if the hair loss is out of your hand, your new wig is something you can control completely.

## A CONFIDENT FIT:

A proper fit will prevent your hair from shifting. When you are ready to start wearing our wig, make another visit to Re-check the fit so that you will feel perfectly comfortable and confident. The Memory Cap style molds to the shape of your head for a lighter, more secure fit.
